## Fast Track Impact

Fast Track Impact is an international training company working in the Higher Education and research and innovation sectors. Our mission is to change the way busy researchers generate and share knowledge, so that their ideas can change the world, and they can get their thinking time back.

We run training for researchers from every discipline, from PhD students to Professors, from departmental away days to cross-institution training days. We have trained >10,000 researchers from >200 institutions in 55 countries.

Fast Track Impact was co-founded by Prof Mark Reed (SRUC) and Dr Ana Attlee (Project Maya Community Interest Company) in 2013, funded by the UK Government's Research Councils, and launched as an independent spin-out company in 2015, led by Prof Reed (CEO) and Dr Joyce Reed (Managing Director).
